

LOW PRESSURE HYDRAULIC POWER TOOLS

Supplied with Pump & Hoses

Tampers - Fence posts and power pole compactors

Tampers are quick and efficient tools for compacting soil around new power poles, street signs etc. An amazing 1160 blows per minute.

Code	Blow per Minute	Flow (LPM)	Pressure (PSI)	Weight (kg)	1 Day Rate (\$)*	After 4 Days (\$)*	After 8 Days (\$)*
42200*	1160	15 - 23	1000 - 2000	10.4	180.00*	144.00*	108.00*

* Price includes: Tool, pump and hoses.

Rock Breakers - Portable and powerful

Hydraulic Rock Breakers are quick and powerful tools designed for breaking concrete. Lighter and more powerful than pneumatic models.

Code	Cutting capacity	Required Oil Flow (LPM)	Pressure (PSI)	Weight (kg)	1 Day Rate (\$)*	After 4 Days (\$)*	After 8 Days (\$)*
48959*	Medium	19 - 34	1000 - 2000	20.9	150.00*	120.00*	90.00*

* Price includes: Tool, pump and hoses. Chisels, points, shovels an extra \$ 7.50* per day.

Chainsaws - No Fumes, can be used under water

Hydraulic Chainsaws are quick and powerful tools, designed for applications where conventional chainsaws are not suitable. Very light weight and can be used under water.

Code	Cutting capacity	Required Oil Flow (LPM)	Pressure (PSI)	Weight (kg)	1 Day Rate (\$)*	After 5 Day Rate (\$)*	After 8 Day Rate (\$)*
43179*	330 mm	15 - 30	1000 - 2000	3.9	145.00*	116.00*	87.00*

* Price includes: Tool, pump and hoses.

Rock Drill

Hydraulic Rock Drills are quick and efficient tools designed for drilling through rock and other masonry foundations. Lighter and more powerful than pneumatic models.

Code	Chuck Size (mm)	Required Oil Flow (LPM)	Pressure (PSI)	Weight (kg)	1 Day Rate (\$)*	After 5 Day Rate (\$)*	After 8 Day Rate (\$)*
45936*	22 x 108	20 - 25	1700	20.0	150.00*	120.00*	90.00*

* Price includes: Tool, pump and hoses. Drills extra.

Ground Rod Driver

Ground Rod Drivers are quick and efficient tools designed for installing earth/ground rods up to 25 mm diameter.

Code	Opening (mm)	Required Oil Flow (LPM)	Pressure (PSI)	Weight (kg)	1 Day Rate (\$)*	After 5 Day Rate (\$)*	After 8 Day Rate (\$)*
11192*	25	18 - 30	2000	20.5	180.00*	144.00*	108.00*

* Price includes: Tool, pump and hoses.

Concrete Cut off Saw and Cart

Hydraulic Concrete Cut off saws are quick and powerful masonry saws designed for cutting concrete. Remote pump allows for quiet operation for built up areas.

Code	Blade Size	Required Oil Flow (LPM)	Pressure (PSI)	Weight (kg)	1 Day Rate (\$)*	After 5 Day Rate (\$)*	After 8 Day Rate (\$)*
49847*	14" (356 mm)	18.9 - 30	2000	47.5	145.00*	116.00*	87.00*

* Price includes: Tool, pump, and hoses. Blades Extra

Rotary Impact Hammer Drill

Hydraulic Rotary Impact Hammer Drills are quick and powerful tools designed for drilling through concrete, brick, rock or other hard to drill material.

Code	Capacity (mm)	Flow (LPM)	Pressure (PSI)	Weight (kg)	1 Day Rate (\$)*	After 4 Days (\$)*	After 8 Days (\$)*
42309*	13 Steel, 27 wood, 19 concrete, 76 Concrete (core drill)	19 - 38	1,000 - 2,000	3.9	145.00*	116.00*	87.00*

* Price includes: Tool, pump and hoses. Drills Extra.
