

# CYLINDERS

## Standard Rams - Single Acting

HTC are able to offer a hydraulic cylinder to suit virtually any situation. With cylinders ranging from 4 - 200 tonne, and various heights to suit. We have New Zealand's largest range of hydraulic cylinders available for hire.

Code	Tonnes	Stroke (mm)	Closed Height (mm)	Outside Ø (mm)	Effective Area (cm <sup>2</sup> )	Weight (kg)	1 Day Rate (\$)*	After 4 Days (\$)*	After 8 Days (\$)*
S04127	4	127	252	39	6.42	1.9	25.00	20.00	15.00

## Lightweight Alloy Rams – Single Acting

At almost half the weight of steel cylinders, Alloy Rams are perfect for any overhead applications or when portability and weight are an issue.

Code	Tonnes	Stroke (mm)	Closed Height (mm)	Outside Ø (mm)	Effective Area (cm <sup>2</sup> )	Weight (kg)	1 Day Rate (\$)*	After 4 Days (\$)*	After 8 Days (\$)*
SJ5-150AL	50	150	318	134	71.63	13.7	75.00	60.00	45.00
RA1002	90	54	197	188	133.0	15.1	125.00	100.00	75.00
RA1006	90	159	299	188	133.0	22.6	135.00	108.00	81.00
